SKYWORTH Limited Warranty for Solar System

Manufacturer: Jiangsu Skyworth New Energy Technology Co., Ltd. (hereinafter "Skyworth") This Limited Warranty applies to Skyworth inverters batteries and related accessories (collectively "Products") purchased by customers ("Customers"), who are deemed to include the initial owner at the time of first sale and subsequent assignee.

1.Definitions

a.Standard warranty: A warranty that is provided with products by default and not sold independently.

b.Capacity performance warranty: Skyworth warrants that the products maintain seventy percent (70%) of the Nominal Energy for ten (10) years from the warranty start date or a Minimum Energy Throughput calculated from the warranty start date, whichever occurs first.

c.Extended warranty: The warranty period can be extended from beginning of the warranty period, at an additional cost to the Customer ("Extended Warranty"). So that Skyworth can provide the required services continuously. An Extended warranty can only be purchased during the warranty valid period.

2.Standard Warranty Services

2.1 Standard Warranty Period Start Date

Starting from the earlier one of following two dates:
1. The date on which the product was first installed.
2. 6 months after the date of production.
The actual warranty start date shall be subject to the terms set out in the contract.

2.2 Standard Warranty Periods

Product series	Product Type	Standard Warranty Period	Extended Warranty Period
Inverter	Grid-tied inverter	5 years	Please consult Skyworth service team for details
	Hybrid inverter	5 years	
Energy Storage System	Residential HV Battery	10 years	Please consult Skyworth service team for details
	Residential LV Battery	5 years(10 years capacity performance warranty(70%EOL))	
	Industrial ESS	5 years(10 years capacity performance warranty(70%EOL))	
Accessory	STS	5 years	Please consult Skyworth service team for details
	Meter/CT	2 years	
	Others	2 years	

NOTE

To remotely upgrade the firmware to ensure the service life of battery cells, the ESS must be connected to the Skyworth Cloud. For ESS products that are not connected, the warranty does not cover the battery cell damage caused by failure to upgrade the products in time.

The Customer should install the ESS within one month after purchase. If the ESS is faulty, the Customer must report the fault within one month. The warranty does not cover damage to the battery cell caused by failure to regularly recharge the battery.

The operating temperature and service life of the ESS depend on the operating temperature. The ESS should be installed at room temperature. The optimal operating temperature for the ESS is 15° C to 30° C.

The preceding table lists the basic warranty period and lifecycle electricity of residential ESS products. The actual warranty period and lifecycle electricity are subject to the contract.

3. Cost Covered and Not Covered

Unless otherwise agreed, Skyworth' s Limited Warranty covers hardware material costs only.

a. Transportation:

Skyworth covers standard ground shipping within designated regions (contact Skyworth for rate caps). Premium shipping fees are borne by the claimant.

b. Defective Product Returns:

Claimants must return suspected defective Products to Skyworth-approved locations with pre-confirmed schedules. Products must be packaged similarly to original condition.
Failure to return within 4 weeks of replacement delivery or unwarranted returns may result in invoicing for replacement costs.

4. Warranty Service Measures

This Limited Warranty applies exclusively to new Products purchased directly from Skyworth or authorized distributors.
Remedies for Valid Claims:

Skyworth will, at its discretion:

a. Resolve issues via software updates/configuration adjustments;

b. Repair using replacement parts;

c. Replace with equivalent/newer-generation Products. Replacement Terms:

Remaining warranty transfers to replacement units. If remaining warranty <1 year, extended to 1 year. RMA Requirements: Submit RMA report via Skyworth 's template within 1 month of claim resolution. Unreported RMAs forfeit warranty rights. Replaced Products/components become Skyworth property. Non-warranty cases may incur processing fees.

5. Warranty Disclaimer

1. Skyworth may be unable to provide warranty services in the following situations:
a. Force majeure events, such as natural disasters, fires, flood, earthquake, and lightning strikes, etc.

b. Deterioration of service conditions caused by social problems, such as: turmoil, war, strikes, government regulations, etc.

c. Shortage or outage of power/resource supply (such as water, electricity, and fuel).

d. Interruption of carrier's communication network.

2. Following situations are not covered by Skyworth's warranty services:

a. Damage to Skyworth-manufactured products caused by force majeure, such as natural disasters, fires, and wars;

b. Damage to Skyworth-manufactured products caused by natural wear and tear;

c. Damage caused by the Customer's or a third-party's negligence, improper operation, or intentional sabotage, or violation of the transportation, storage, installation, and operation regulations specified in the product user manual;

d. Adjustment, alteration, and removal of identification signs (bar code and serial number);

e. The operating environment (such as power distribution, temperature and humidity, load bearing, heat dissipation, and air tightness) or other external factors (such as electromagnetic interference and ground subsidence) of the products cannot meet the requirements or common industry standards for running the products/systems, so that the products/systems are damaged;

f. Damage caused by the Customer's infrastructure problems;

g. Damage caused by services performed by personnel not authorized by Skyworth;

h. Damage caused by operating or connecting Skyworth products with incompatible third-party products;

3. All the preceding warranty services are applicable only to Skyworth-manufactured products, not including any third-party products or parts.

4. The parties hereby agree that Skyworth's compensation against the Customer's loss under this warranty agreement shall only cover the direct and reasonable losses incurred, justifiable with evidences, to the Customer due to Skyworth's fault or product issue. Skyworth shall not be liable for any indirect damages including but not limited to loss of income or profit, damage to reputation, or loss of data. The maximum liability of Skyworth under this warranty agreement shall not exceed the amount paid by the Customer to Skyworth for the related product.

5. Skyworth does not guarantee the Customer' s data stored in its products or related to the products in other forms. The Customer is responsible for backing up the data to prevent loss. If Customer accepts the warranty service provided by Skyworth, it means that Customer allows Skyworth to access, collect, and handle information related to faults, troubleshooting, and commissioning during the service provision. Skyworth will access and process related information as required by Customer with Customer's consent. The information will be used only for providing warranty services.

6. Claim Process

Contact installer/Skyworth support for diagnostics.
Subit completed RMA report to Skyworth/authorized distributor (if replacement needed). Return replaced Products to designated locations

7. Version Control
